ALEJANDRA TORO GRISALES

DEVELOPER JUNIOR +

DEVOPS

PROFILE

I am a systems engineering student at the University of Antioquia, with a strong sense of responsibility and empathy.

I have worked for more than 2 years as a DevOps, using Terraform, AWS, GitLab, ArgoCD, Kubernetes, Azure DevOps and CI/CD pipelines. I also earned the AWS Cloud Practitioner certification.

I enjoy working with teams and growing through shared learning.
